

Move Survey

We sincerely appreciate your business. We would love to have your honest feedback on how we did on your move.

We have supplied you with an envelope to seal your survey in and give to the crew. Please feel free to go out of view of the crew and fill this out honestly, seal it in the envelope, and return it to the crew. Once the envelope is sealed these surveys come directly to the owner of Admiral Movers to be opened. If you feel like you need to fill out the survey after crew has gone you can fax the survey to 334.262.7731 or scan and email to smcnelley@admiralmovers.com.
